2015 Sacramento Five Star Home Professionals

**Real Estate
Agents**

**Mortgage
Professionals**

**Home/Auto
Insurance Professionals**

Five Star Professional partnered with *Sacramento* magazine to identify real estate, mortgage and insurance professionals in the Sacramento area who deliver outstanding service and client satisfaction. The Five Star Professional research team contacted thousands of recent homebuyers,

as well as other consumers. Clients may also submit evaluations online. Phone, mail and online respondents rated their service professional on criteria such as overall satisfaction and whether they would recommend the provider to a friend. The research methodology allows no more than 7 percent of professionals in each category to receive the award. This year's winners are listed and profiled in the following pages (see each award winner's listing for more details).

Research Disclosures

- The 2015 Five Star Real Estate Agents, Mortgage Professionals and Home/Auto Insurance Professionals do not pay a fee to be included in the research or the final list.
- Each professional is screened against state governing bodies to verify that licenses are current, and no disciplinary actions are pending.
- The inclusion of a real estate agent, mortgage professional or insurance professional on the final lists should not be construed as an endorsement by Five Star Professional or *Sacramento* magazine.
- The research process incorporates a statistically valid sample in order to identify the professionals in the local market who score highest in overall satisfaction. These professionals are not included on the list unless their score is statistically valid.
